A modern, dark grey door with a minimalist design. It features three square glass inserts on the left side, each with a different pattern: a solid light grey, a textured grey, and a wavy grey. To the right of these is a long, narrow vertical glass panel. The door is set in a dark frame. The background is a dark, textured wall with a wooden plank wall on the right. The floor is dark and textured. The lighting is dramatic, with strong shadows.
